In Loving Memory Of..... CDR Robert Strautman

I will go back to the great sweet mother,-
mother and lover of men, the Sea.
I will go down to her. I and none other,
Close with her, kiss her, and mix her with me;
Cling to her, Strive with her, hold her fast;
O fair white mother, in days long past.
Born without sister, born without brother,
Set free my soul as thy soul is free.
